Exemptions

1. Applicants who have successfully completed a recognized foundation year may be exempt from providing an English language test.
2. Applicants who have completed a 2-year or 3-year diploma where English is the official language of instruction may be considered for exemption, provided they submit official documentation (waiver letter) confirming this with their admission application.
3. Master’s applicants who have completed their bachelor’s degree in English may be exempt, provided they submit official documentation (waiver letter) confirming this with their admission application.

Note: English language proficiency is mandatory for direct entry into Year 1 undergraduate programs.
